

DIRECTIONS TO HIVES & HONEY PAVILION.

This pavilion is on the Showground of the Yorkshire Agricultural Society in Harrogate.

Turn off Hookstone Drive onto Hookstone Wood Road (the postcode for this road is HG2 8PN). Proceed down a straight section of road with houses on the left and woodland on the right, until you come to a junction, where you should follow the road around to the right.

The fence of the Showground is now on the left and woods on the right. After about 100 m the Squash club building is on the left hand side and the road crosses a more open area.

Keep on the road, passing a parking area on the right, and a road to a main vehicle gate to the Showground on the left.

(Known as the 'Blue' Gate). There is now a new gate and fence across the road which will be open on meeting days. Go through the gate and head for a double gate (Education Gate) beyond the Blue Gate.

Shortly beyond the Blue Gate there is a double gate (called the 'Education' Gate) and an ad-joining pedestrian gate, that open onto a track leading into the Showground and the rear of the Hives and Honey Pavilion. Access to this gate is across an area of rough ground. Car parking is generally on this rough ground, outside this gate
